

2025 ROCK EXTERNSHIP PROGRAM

PAID EXTERNSHIPS FOR HIGH SCHOOL STAFF

The Rock Externship Program offers Rock County high school staff hands-on industry experience through a one-week summer immersion in local businesses. Targeted at CTE, STEM, and counseling staff, it helps integrate real-world insights into lesson plans. Participants receive a \$1,000 stipend upon completing requirements, including onboarding, daily journaling, and a post-program development session. Applications are due April 4, 2025, with priority for first-time participants. Repeat applicants may be accepted if space allows. "This gave me a firsthand look at the skills and careers shaping our local industries.
